SUMMARY/PARTICIPANTS

An exclusive two-part investigation from Chief Investigative Reporter Phil Williams on allegations of misconduct in how soldiers are recruited. In this follow-up to his original undercover investigation in May 2007, an Army recruiter explains how he was told to steer possible recruits to lie about being on psychiatric medications. Phil also spoke to yet another soldier who is now in a mental rehabilitation facility about how he was encouraged to lie about his mental health. The series led to the U.S. Army conducting its own investigation and leveling punishments against recruiters in the Middle Tennessee office.

Two exclusive stories from Chief Investigative Reporter Phil Williams looked into the cases of two children who were sexually assaulted on their Metro Schools Special Education bus. Their parents were outraged not only at the attacks, but also because they were not told about the assaults by the school system. Moreover, the bus drivers did nothing to stop the incidents. Our investigation included video from the school bus during one of the attacks and the heart-wrenching audio of a young boy telling what an older student told him to do. The parents are suing and Metro School officials refused to talk about the attacks.

SUMMARY/PARTICIPANTS

This exclusive two-part interview by reporter Brent Frazier was with convicted child rapist Jeremy Duffer. In his first interview, Duffer talks about his recent beating allegedly at the hands of a prison guard. In the second part, we hear the guard's side of the story. His attorney says the situation is very different than Duffer's version and that the guard was acting appropriately.

This was an investigation into a local puppy mill by Investigative Reporter Jennifer . Kraus. Undercover video showed the deplorable conditions the animals were forced to live in. Even the owner admitted that the animals shouldn't be treated in this way.

SUMMARY/PARTICIPANTS

Each weekday a segment on the latest medical news airs in the 5 PM newscast. These segments address current issues on health, the latest medical technology and medical breakthroughs. These segments featured anchor Vicki Yates and various national news reporters.

This two-part story from reporter Barry Simmons looked at Nashville's connection to a clinic in Africa. Simmons followed a Vanderbilt medical student who wanted to open a clinic in his home village to help with the AIDS epidemic. Nashville students raised money, local rock band Jars of Clay held benefit concerts, and former U.S. Senator Bill Frist even joined to help in the cause. Our cameras were there as the villagers receive medical treatment for the first time.

48 HOURS MYSTERY

07/03/07 **48 HOURS MYSTERY: "Endgame"** - a follow-up to 48 HOURS MYSTERY: "Where Is Mrs. March?" (OAD: 11/01/02). Janet Levine March, a wife and mother of two young children, disappeared on August 15, 1996. In December 2004, a grand jury indicted her husband, Perry, for her murder, based on circumstantial evidence. March -- while in a Nashville jail awaiting trial, and fearful of the possible testimony of his wife's parents, Carolyn and Larry Levine -- solicited fellow inmate and convicted felon Russell Nathaniel Farris to murder them. Farris played along, but in reality cooperated with the police and secretly recorded his conversations with both March and March's father, Arthur, who also became implicated in the murder plot. In a videotaped deposition played at the trial for Janet March's murder, Arthur March revealed how Perry had killed Janet, and how her body, with his help, was ultimately disposed of. Perry March was sentenced to 56 years in prison. Arthur March was sentenced to five years. Includes interviews with: Perry March; Arthur March; Carolyn and Larry Levine; Sergeant Pat Postiglione, Detective Bill Pridemore, Nashville (Tennessee) Homicide Cold Case Unit; Detective Mickey Miller, Nashville Police. (C: Deborah Grau - P: Bill Lagattuta) (OAD: 01/06/07 with an update.)

07/07/07 **48 HOURS MYSTERY: "A Knock On The Door" (9:00-10:00pm)** - in 1982, in the town of Olathe, Kansas, a young banker named David Harmon was bludgeoned to death in his bed. His wife Melinda told authorities that two men intent on robbing the bank where David worked had broken into their home and committed the crime. Investigators believed, but could not prove, that Melinda was involved in a secret affair with family friend Mark Mangelsdorf, and that the two were involved in David's murder. Nearly 20 years later, armed with new forensic technology, police zeroed in on the couple: Mangelsdorf, an independent business consultant in New York City, is now married with five children and lives in Pelham, N.Y.; Melinda, now living in Columbus, Ohio is married to a dentist and is the mother of two. Melinda was tried and found guilty of murder and conspiracy to commit murder. Facing a sentence of life in prison, she offered the prosecutor information about what happened the night of the murder in exchange for a lighter sentence. Melinda and Mangelsdorf, who entered a guilty plea, will be sentenced on May 12. (C: Hannah Storm - Sr. P: Al Briganti - P: Lisa Freed, Deborah Grau) (OAD: 04/15/06 with an update.)

- 07/07/07 **48 HOURS MYSTERY: "Searching For Secrets" (10:00-11:00pm)** - In early September 2005, 17-year-old Taylor Behl, a Virginia Commonwealth University freshman, disappeared from the Richmond campus. A police investigation eventually uncovered her association with Ben Fawley, a 38-year-old man who confessed to having sex with Taylor. After the discovery of Taylor's body, Fawley claimed that Taylor had wanted to have a sexual experience which included bondage and erotic asphyxia -- she wanted to pass out during sex -- and that she accidentally died during this activity. In a plea bargain at his trial, Fawley was sentenced to 30 years in prison. Interviews include: Janet Pelasara, Taylor Behl's mother; Matt Behl, Taylor's father; Glynnis Keogh, Taylor's best friend; Erin Crabill, friend of Taylor Behl; Emma Ellsworth, Taylor's roommate; Ben Fawley; Richmond Police Captain John Venuti; Les Lausiere, investigator, Virginia Attorney General's Office; Jason Hudson, detective; prosecutors Jack Gill and Chris Bullard; Chris Collins and Bill Johnson, attorneys for Ben Fawley. (C: Erin Moriarty - P: Jay Young, James Stolz) (OAD: 01/16/07 with an update.)
- 07/14/07 **48 HOURS MYSTERY: "Blood and Money"** - Investment banker Robert Kissel was murdered in his luxurious Hong Kong apartment in 2003. His wife Nancy was convicted of his murder and is now serving a life sentence. In 2006, his brother, real estate developer Andrew Kissel, was murdered in his Greenwich, Connecticut home. At the time of his death, Andrew Kissel was facing a federal bank fraud charge and state grand larceny and forgery charges. His murder is still under investigation. Among those interviewed are: James Walters, Greenwich Police Chief; Carol Horton, high school friend of Robert Kissel; Danny Williams, friend of Robert Kissel; John and Elizabeth LaCause, friends of Nancy Kissel; Kazuko Oshi and Andrew Tanzer, friends of Robert and Nancy Kissel; Trudy Samra, friend of Nancy Kissel; Nancy Walkley, title search attorney; Albert Wong, Hong Kong journalist; Brian Howie, friend of Andrew Kissel; Steven Garfinkel, FBI special agent; Phil Russell, attorney for Andrew Kissel; Carlos Trujillo, driver and personal assistant to Andrew Kissel; Frank Shea, special investigator hired by Robert Kissel. - 07/21/07 **48 HOURS MYSTERY: "Jeffrey MacDonald: Time For Truth" (9:00-10:00pm)** - a report on the 1970 murders of U.S. Army Doctor Jeffrey MacDonald's pregnant wife and two young daughters at their Fort Bragg home in Fayetteville, N.C. Having served 25 years in prison for the murders, MacDonald, now 61, still proclaims his innocence and expresses hope that he will eventually be legally vindicated. From the day following the murders 35 years ago, MacDonald has maintained that a group of crazed, drug-fueled hippies broke into his apartment and murdered his wife Collette and daughters -- five-year-old Kimberly and two-year-old Kristen. It took the U.S. Government nine years to make its case against him, but in 1979, a jury convicted MacDonald of three counts of first-degree murder -- a conviction based entirely on circumstantial evidence. Since then, MacDonald and his lawyers have exhausted every avenue of appeal. Married behind bars over two years ago, MacDonald's request for parole was denied. He is hoping that DNA testing being done on hair and blood evidence from the crime scene will confirm that he did not kill his family. - 07/21/07 **48 HOURS MYSTERY: "Millionaire Manhunt" (10:00-11:00pm)** - follow-up to 48 HOURS INVESTIGATES: "Journey To Justice" (OAD: 12/11/02). After a review of the circumstances surrounding the 1987 murder of Lita McClinton Sullivan and the subsequent police investigation of her husband, Jim Sullivan, the program follows Sullivan's extradition from Thailand in 2004 and his ensuing Atlanta, Georgia trial and conviction for his wife's murder. Includes interviews with Poppy Marable, best friend of Lita Sullivan; JoAnn and Emory McClinton, Lita's parents; and Belinda Trahan, former girlfriend of Tony Harwood, the alleged hitman hired by Jim Sullivan. - 07/24/07 **48 HOURS MYSTERY: "Dangerous Liaisons"** - a report on the July 2003 murder of Sandra Rozzo of Pinellas Park, Florida, including background and surrounding circumstances, and the police investigation that led to the eventual conviction and imprisonment of her ex-lover Timothy 'Tracey' Humphrey and his wife Ashley Laney Humphrey. Includes interviews with: Timothy Humphrey; Detectives Paul Andrews and Scott Golczewski, Pinellas Park Police Department; Tracey Havlicek, Sandra's sister; Hector Adorno, friend of Timothy Humphrey; Kelley Terrell, friend of Sandra and Timothy; Heather Ursini, Sandra's co-worker; Mitch Eubanks, Sandra's friend and hair stylist; Charli Williams, friend of Ashley Humphrey. (C: Maureen Maher - P: Chuck Stevenson) (OAD: 10/14/06 with an update.)
- 07/28/07 **48 HOURS MYSTERY: "Murder Comes Knocking"** - In July 2004, 27-year-old Jarrod Davidson was shot to death outside his apartment in Santa Barbara, California. Estranged from his ex-wife, Kelee, Jarrod had been scheduled to go to court to try to get full custody of his daughter Malia. Jarrod had opened his front door to retrieve the delivery of a potted plant. DNA, found on the plant's card holder, was tested and matched that of his former mother-in-law, Mindy Jones. Neighbors had reported seeing two suspicious looking people quickly leaving Jarrod's apartment complex. After further investigation, Kelee's parents, Philip and Mindy Jones, were arrested for the murder of Jarrod Davidson. Philip confessed to the killing, but only securing an agreement from prosecutors that his daughter Kelee would not be tried for the murder. Philip Jones claimed that he murdered Jarrod because Jarrod was molesting Malia. This claim was disproved. Philip was sentenced to life in prison with no parole. Mindy Jones claimed amnesia, but was also found guilty of murder and received the same sentence as Philip. Kelee was allowed to plead guilty to three lesser charges: accessory to murder and two counts of perjury. She was sentenced to four years in prison. Malia is being raised by her paternal grandparents, Richard and Susan Davidson. Kelee Davidson is expected to be released from prison in July 2007. She is hoping to regain custody of Malia. (C: Maureen Maher - P: Ira Sutow) (OAD: 02/10/07 with an update.)
- 07/31/07 **48 HOURS MYSTERY: "The Puppet Master"** - A report on the marriage of Heather and Ron Samuels, who, even after divorcing, were involved in a bitter custody battle. In October 1997, newlyweds Heather and John Grossman were shot at while driving. John survived the shooting but a bullet severed Heather's spinal cord, leaving her a quadriplegic. Heather was immediately certain that ex-husband Ron was involved in the crime, as he had once threatened to make her pay for leaving him. Investigators were able to track down three men who they believed were involved in the assault: Hugh Estess, the car owner; Eddie Stafford, the driver, and Roger Runyon, the shooter. Also implicated was Geoff Pollock, who was present at meetings when the crime was discussed. Ron Samuels was named as the man behind the crime - the puppet master. In exchange for complete immunity, police got the co-conspirators to acknowledge Samuels' lead role in the crime. Before Samuels could be arrested, he fled to Mexico. He ran afoul of the law there when police found six kilos of cocaine in his car. He was imprisoned and, five years later, still proclaiming his innocence, he was extradited to the U.S. to stand trial for the attempted murders. He was found guilty of all charges and sentenced to life in prison for the attempted murders, plus an additional 120 years for the other charges. The court ordered Samuels to pay Heather restitution, but he claims that he's broke. Investigators are tracking any remaining assets. He is planning to appeal his conviction. 48 HOURS MYSTERY

- 08/04/07 **48 HOURS MYSTERY: "Chamber of Secrets" (9:00-10:00p)** - in her divorce case, Frieda Hanimov feared that she would lose custody of her children because she suspected that the judge ruling on her case was corrupt. Having gone to authorities with her suspicions, Hanimov agreed to go undercover and, wearing a wire, she went alone into a warehouse to try to prove that New York State Supreme Court Judge Gerald Garson was corrupt. A taped conversation with Nissim Elmann, the judge's confederate, was enough evidence to have the Brooklyn District Attorney grant permission to place a hidden camera in Judge Garson's chambers. Prosecutors caught Judge Garson on videotape taking a gift for legal advice, giving a lawyer advice on how to write a legal memo on a case before him, and accepting a \$1,000 referral fee. Judge Garson will go on trial next fall; Nissim Elmann will be tried next week. Hanimov's case has led to the creation of a new commission to reform divorce court. (C: Lesley Stahl - Sr. P: Katie Boyle - P: Patti Aronofsky, Mead Stone) No individual segment titles were used in this episode. (Edited version of "Chamber of Secrets", OAD: 02/19/05. Includes an update to the first rebroadcast (07/02/05), which itself included an update.)
- 08/04/07 **48 HOURS MYSTERY: "The Sweetheart Murders" (10:00-11:00p)** - In December 1980, college sweethearts Sabrina Gonsalves and John Riggins were brutally murdered in Davis, California. No progress was made towards solving the case until 2002, when Joel Davis, a high school friend of John Riggins, persuaded police to re-examine the semen stains discovered on a blanket found in the victims' abandoned van. Using advanced DNA technology, the police were now able to match those samples to Richard Hirschfeld, a convicted rapist who had been paroled in July 1980 and whose DNA was stored in the FBI database. Police then interviewed Hirschfeld's younger brother, Joe -- who committed suicide the day after the police interview. In his suicide note, Joe said that his brother Richard had killed Gonsalves and Riggins, and that he himself had lived with this horror for twenty years. Police assume that Joe helped his brother leave the murder scene. Richard Hirschfeld is now charged in the double murder. Prosecutors are seeking the death penalty. (C: Troy Roberts - P: Clare Friedland, Daria Hirsch, Gregory F. McLaughlin) (OAD: 01/27/07, includes an update.)
- 08/11/07 **48 HOURS MYSTERY: "Prime Suspect" (9:00-10:00p)** - follow-up to "Prime Suspect" (OAD: 04/07/04), a report on Marty Tankleff who, as a 17-year-old, was convicted of murdering his adoptive parents Seymour and Arlene Tankleff in their Belle Terre, Long Island home. Tankleff's relatives believe that Marty, now 33, is innocent and hope that a new trial will set him free. Includes interview with several key witnesses and with Tankleff's investigator, New York City detective Jay Salpeter, who took the case on a pro bono basis; Assistant District Attorney Leonard Lato who is fighting to uphold Tankleff's conviction; and Richard Ofshe, an expert in interrogation tactics who feels that innocent people, including Marty Tankleff, can be persuaded to confess to crimes they did not commit. The judge in the case is expected to rule on Tankleff's request for a new trial this spring. 48 HOURS MYSTERY (continued)

08/11/07

48 HOURS MYSTERY: "Dangerous Reunion" (10:00-11:00p) - In 1981, a series of sexual assaults targeting members of the Castleberry High cheerleading team occurred in and around River Oaks, Texas. In January 1982, the body of Retha Stratton, a former Castleberry High cheerleader, was discovered by her roommate -- she had been stabbed 38 times with a kitchen knife. Fort Worth Police Detective Dennis Timmons quickly focused his investigation on Wesley Wayne Miller, former captain of the Castleberry High football team. Miller had been suggested as a suspect in the sexual assaults, but was never questioned. This time there was more evidence. Within 48 hours, Wesley Wayne Miller was charged with the murder of Retha Stratton. Initially, Miller denied involvement, but once presented with the evidence, he confessed. Stratton had not been sexually assaulted, but police were able to match Miller's fingerprints to one of the sexual assault crime scenes. The murder trial began in October of 1982 and two weeks later, Miller was found guilty and sentenced to twenty five years in prison. The jury in the murder trial was prohibited from hearing anything concerning the sexual assaults and believed he deserved a second chance. Without DNA testing, prosecutors went forward with the most airtight sexual assault case, but eventually agreed to a plea deal of twenty years, which would be served concurrently with the murder sentence. Rona Stratton, Retha's sister and Lisa Ticknor Gabbert, a close friend of Retha's and one of Miller's victims were devastated to learn just how quickly Miller would become eligible for parole and made it their mission to keep Miller in prison. By 1991, due to a mandatory release law established to ease prison overcrowding, Miller had enough credit for good behavior and qualified for early release. Miller was arrested again for attempted assault and sentenced to five more years. Released again in 1998 to a county jail, Miller refused to attend sex offender counseling and as a result, was returned to prison. With his twenty five year sentence almost over, Rona and Lisa attempted to have Miller classified as a sexually violent predator under civil commitment - a law which Rona was instrumental in getting passed. Two convictions for sex crimes are required in order to be committed and if successful, Miller would become the first murderer to be classified as such. Chief Prosecutor Joey Robertson argued that Retha's murder was the very definition of a sex crime and was the last barbaric act of a serial rapist. The jury agreed. As a result, upon Miller's release, he will be subject to the same intense monitoring as the worst sex offenders. On March 9, 2007, Wesley Wayne Miller was released from prison. He is housed within 25 miles of Rona and Lisa. (C: Susan Spencer - P: Ian P. Paisley, Jenna Jackson) (OAD: 03/10/07)

08/25/07

48 HOURS MYSTERY: "Two Wigs, A Gun And A Murder" - when Fred Jablin, a Richmond (VA) University professor and devoted father was gunned down in his driveway on Oct. 30, 2004, his ex-wife, Piper was the prime suspect. When the couple divorced after 19 years of marriage, Jablin won custody of their three children, and, at the time of Jablin's murder, Piper owed him about \$7,000 in back child support. Circumstantial evidence, including an airline ticket, two wigs and gas purchased in the Richmond, VA area -- all with a credit card in the name of Piper's former boyfriend -- indicated that Piper had masqueraded as her older sister Tina in order to kill her husband. It was also found that she had practiced with a 38-caliber revolver at a Houston shooting range four days before the murder. Piper Rountree was arrested, tried, found guilty of first degree murder and sentenced to life in prison. Her sister, Tina, was charged with evidence tampering and will be tried this fall. (C: Harold Dow - Sr. P: Katie Boyle - P: Joe Halderman, Chuck Stevenson) No individual segment titles were used in this episode. This is an expanded two hour version of the one hour "Two Wigs, A Gun and a Murder" (OAD: 05/21/05). Includes new footage, not seen in the original broadcast, of an interview with three jurors from Piper Rountree's trial. Portions of an interview with Tina Rountree after the conclusion of the trial is also included, as well an update: Tina Rountree was eventually convicted with evidence tampering and sentenced to nine months probation. 48 HOURS MYSTERY

09/01/07 **48 HOURS MYSTERY: "Murder on His Mind"** - In April 2005, Stephen Stanko murdered his girlfriend Laura Ling, and then raped and stabbed her daughter. Shortly afterwards, he killed a friend, Henry Turner. Previously, in 1996, Stanko had served an eight year prison term for assaulting his then-girlfriend, Elizabeth McClendon. Stanko claimed he had no memory of these events. At his trial for the murder of Laura Ling, Stanko's lawyer called on medical experts who claimed that PET scan images of Stanko's brain revealed that he was born with a brain defect, a neurological dysfunction that made him psychopathic and, on occasion, temporarily insane. Medical experts for the prosecution contested this claim. A jury found Stanko guilty and recommended the death penalty. He will again face the death penalty when he is tried for the murder of Henry Turner. His lawyer will continue to argue that he has a brain defect. Includes interviews with: Stephen Stanko; the daughter (name withheld) of Laura Ling; Chris Ling, ex-husband of murder victim Laura Ling and father of their daughter; Lt. William Pierce, Georgetown County (S.C.) Sheriff's Office; Greg Hembree, Georgetown County Prosecutor; Elizabeth McClendon, former girlfriend of Stanko; William Diggs, Stanko's lawyer; Dr. Thomas Sachy, neuropsychiatrist. 48 HOURS MYSTERY (continued)

48 HOURS MYSTERY: "To Catch A Killer" - On December 3, 1997, when several family members didn't show up for a birthday party, Phil and Nicoletta Dosso drove to their business in Bartow, Florida to search for them. There, they made a grisly discovery - the bodies of their daughter, Diane Patisso; her husband, George Patisso; their son, Frank Dosso; and their longtime business partner and friend, George Gonsalves. All four of them had been shot execution style and the killer had been extremely careful - no fingerprints, DNA or murder weapon was found. Special Agent Tommy Ray investigated more than one thousand leads, but all were dead ends except for one - Nelson Serrano. Serrano, a former business partner, had been accused of theft by Dosso and Gonsalves and eventually forced out. But Serrano had an alibi - he claimed to have been in Atlanta, Georgia at the time of the murders. However, hotel lobby video footage from Atlanta, cell phone records, an admission by Serrano's nephew, Alvaro Pennaherrera that he rented a car for his uncle, as well as Serrano's fingerprints on two airport parking tickets from Orlando, Florida further cemented Ray's belief in Serrano's guilt. Four years after the homicides, Serrano was indicted. However, months earlier, Serrano and his wife had returned to their native Ecuador - a country with no extradition treaty with the United States. Special Agent Ray traveled to Ecuador to see if there was a loophole which would allow him to arrest Serrano. One came after it was revealed that Serrano had given up his Ecuadorian citizenship when he had become a US citizen. With that information, Serrano was arrested and deported back to the United States. Serrano and his family claimed that his Ecuadorian citizenship was reinstated when Ecuador's constitution was changed and that he was denied an attorney. Nine years after the killings, Serrano went on trial. The jury reached a verdict in only six hours - guilty of four counts of first-degree murder. Nelson Serrano is under a suicide watch while he awaits sentencing. Ecuadorian legislators want to investigate Nelson Serrano's deportation to the United States. 48 HOURS MYSTERY: "Perfectly Executed" (9:00-11:00p) - an expanded version of "Written In Blood" (OAD: 09/25/04), a report on the brutal 1994 murders of the Rafay family -- Sultana Rafay, her husband Tariq and their autistic daughter, Basma -- in Bellevue, Washington, focusing on the pursuit and arrest of the two primary suspects: Atif Rafay, the only surviving family member, and his friend Sebastian Burns. Focuses on the key role of the Canadian Mounted Police in the investigation and the elaborate sting operation put in place by the CMP in order to obtain confessions from Rafay and Burns. Having taken refuge in Canada, Rafay and Burns, who had written the script for a film called "The Great Despisers," whose plot paralleled the 1994 murders, were extradited to Seattle to face murder charges. They were tried in November 2003, found guilty of murder and sentenced to three consecutive life terms -- one for each life that was taken. The Burns family has launched a campaign for a new trial. Includes interviews with the two accused men; Carol and Dave Burns, Sebastian's parents; Jimmy Myoshi, a friend of the suspects; Detective Bob Thompson; Sgt. Haslett, of the Royal Canadian Mounted Police; Jeff Robinson and Song Richardson, defense attorneys for Sebastian Burns; Roger Davidheiser and James Konat, King County's prosecuting team. 48 HOURS MYSTERY: "Murder on the Cape" - a follow-up to "Secrets of the Heart" (OAD: 04/10/02; rebroadcast on 08/05/02 with an update.) In January 2002, Christa Worthington, a former fashion writer, was found murdered in her Truro, Massachusetts home. The expanding list of potential suspects included her former boyfriend, Tim Arnold, who had discovered her body; and ex-lover Tony Jackett, a married father of five children, whose affair with Worthington produced a daughter named Ava. DNA evidence was found on Worthington's body indicating sexual relations, but when the crime lab produced results a year after her murder, they did not match any of the potential suspects. With no match, District Attorney Michael O'Keefe widened the circle of his investigation and asked for DNA from every single man in Truro. Three and a half years after the murder, a match was found for the DNA located both inside and outside Worthington's body. Christopher A. McCowen, Worthington's garbage man, was arrested for her murder. McCowen denied knowing Worthington until he was presented with the DNA evidence against him. With that information, McCowen admitted to having had sexual relations with Worthington and that he had beat her, but he blamed her murder on his friend, Jeremy Frazier. However, Frazier's DNA wasn't found anywhere on Worthington's body and he had an alibi. McCowen's attorney, Bob George, believed that McCowen's race, class, drug use, and low IQ made him an easy target and that McCowen and Worthington had been involved in a consensual sexual relationship. George believed that the police had bungled the investigation and that the case was based on the inability to imagine an actual relationship between the two. McCowen never testified. The jury found him guilty of first degree murder and sentenced him to life in prison without the possibility of parole. Attorney Bob George claims he has evidence of racial bias on the jury and has filed a motion for a new trial. (C: Susan Spencer - P: Josh Yager, Martin Zied) (OAD: 03/06/07)

48 HOURS MYSTERY: "The McGuire Diaries" - Melanie McGuire, on trial for the murder of her husband Bill, was provided by 48 HOURS MYSTERY with a video camera, so that she could record her intimate thoughts as she stood trial. Excerpts of her video diary are interspersed throughout the broadcast. In May of 2004, his dismembered body was found in three suitcases in Chesapeake Bay. He had been shot with a .38 caliber gun. Melanie claimed that Bill had vanished weeks before, after an argument. She had never filed a missing person's report and without having heard from Bill, she later filed for divorce. She claimed that he had been abusive and suggested that his disappearance and murder were the result of his gambling problem and that his frequent trips to Atlantic City had put him in contact with shady characters. However, a blanket wrapped around Bill's torso was the same kind of blanket used at the fertility clinic where Melanie worked as a nurse, making her a suspect. After extensive searches, police were unable to find a murder weapon or tool used to cut up Bill's body, and there was no evidence of a crime scene. Soon afterwards, police learned that Melanie had purchased a Taurus .38 special revolver just 48 hours before Bill had disappeared. Melanie, however, claimed that she had purchased that gun for Bill at his own request. She claimed he wanted it for his own protection, but couldn't buy it himself because of a felony conviction. Believing her to be guilty, Prosecutor Patti Prezioso intensified her investigation and had Melanie put under surveillance. This soon revealed two of Melanie's secrets -- she had been carrying on an affair for more than two years with her boss, Dr. Brad Miller, and she had been in Atlantic City the night after she claimed Bill had left her. She later stated that she had gone to Atlantic City in search of Bill, had found his car and moved it out of spite. Thirteen months after the suitcases were found, Melanie McGuire was arrested for the murder of her husband. Nine months after her arrest, the trial began. After seven weeks and more than seventy witnesses, Melanie McGuire was found guilty and sentenced to life in prison. She will be eligible for parole in 2073, when she would be 100 years old. Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>In this series, Strawberry Shortcake, a curious, self-confident leader, narrates stories of her and her friends' adventures in the richly-imagined world of Strawberry Land. Using her many positive qualities, Strawberry helps her friends, who share her values but not necessarily her ability to take a broader view, to see beyond their own self-interest. The themes of the stories are designed to have particular relevance for young viewers, focusing on such issues as friendship, fear, self-confidence, sportsmanship, trust and shyness. The pro-social messages flow naturally from the narrative, as the characters experience concrete (positive and negative) consequences of their actions. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules.</p>

Non-Core Educational and Informational Programming

12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

[There are no digital non-core program reports.]

Sponsored Core Programming

13. List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no digital sponsored core program broadcast reports.]

[There are no digital sponsored core program detail reports.]

Other Matters

14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.

CARE BEARS: ADVENTURES IN CARE-A-LOT		NETWORK	
Regular Schedule		Total Times to be Aired	
Saturday 9:00-9:30 AM		13	
Length of Program		Age of Target Audience	
		From	To
30 minutes		5 years	7 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>Care Bears are a group of funny, colorful bears, each with a special way of caring and a belly badge, which unleashes that bear's special caring power. The bears use their caring hearts and their belly badges to help each other and to thwart the evil plots of Grizzley, a bad bear with his own flying lair. Each Care Bears episode is designed to foster children's "emotional intelligence," defined by psychologist Daniel Goleman and other researchers as skill in five areas: knowing one's emotions; managing one's emotions; motivating oneself; recognizing emotions in others; and handling relationships. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

STRAWBERRY SHORTCAKE		NETWORK	
Regular Schedule		Total Times to be Aired	
Saturday 9:30-10:00 AM		13	
Length of Program		Age of Target Audience	
		From	To
30 minutes		3 years	6 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>In this series, Strawberry Shortcake, a curious, self-confident leader, narrates stories of her and her friends' adventures in the richly-imagined world of Strawberry Land. Using her many positive qualities, Strawberry helps her friends, who share her values but not necessarily her ability to take a broader view, to see beyond their own self-interest. The themes of the stories are designed to have particular relevance for young viewers, focusing on such issues as friendship, fear, self-confidence, sportsmanship, trust and shyness. The pro-social messages flow naturally from the narrative, as the characters experience concrete (positive and negative) consequences of their actions. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>CAKE is a live-action show-within-a-show about a teenage girl by the name of Cake, who, with the help of three friends, produces a cable access show. The series is designed to provide the</p>			

viewers with two integrated levels of educational and informational experiences. On one level, each episode provides actual instruction regarding specific activities, with hands-on examples related to the design and use of various fabrics, the making of clothes, the crafting of useful home, school, play, and household items, and other forms of creative expression. The other level in the episode provides an opportunity for the viewers to learn about social and emotional themes such as the value of honesty, the importance of personal worth and self-esteem, the meaning of friendship, the value of having a healthy life-style, and other prosocial concepts that are developmentally appropriate for this age-group. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.

HORSELAND		NETWORK	
Regular Schedule		Total Times to be Aired	
Saturday 10:30-11:00 AM		13	
Length of Program		Age of Target Audience	
30 minutes		From	To
		9 years	11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>HORSELAND is an animated series about five girls and two boys who live in spectacular countryside that houses a farm called Horseland. Each of these main characters has a special horse whose personality is similar to its owner's. Horseland and its unique approach of integrating the personality of the main characters and animals serve to reinforce prosocial themes. Horseland is also a "coming of age" series in which viewers experience and learn from the social interactions, hopes, dreams, and even fears of this group of culturally diverse adolescents. From this background, the experiences of sharing, caring, compromise, friendship, respect, and competition emerge to provide the young viewers with social and emotional guidelines for better understanding many of the life-lessons they need to learn as they grow and develop. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

Length of Program		Age of Target Audience	
30 minutes		From	To
		7 years	12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>The animated series, "Sabrina," involves the adventures of a modern, early adolescent girl who is part human and part witch. While Sabrina is not your typical girl - she has magical powers that must be kept secret and also under control - the familial, social, peer-group, and school-related issues she experiences all serve as educational and instructional life-lessons for viewers, as they reflect many of the same learning experiences and teenage challenges faced by children today. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

TROLLZ		NETWORK	

Regular Schedule		Total Times to be Aired	
Saturday 11:30 AM-12 Noon		4	
Length of Program		Age of Target Audience	
30 minutes		From	To
		8 years	12 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>TROLLZ is an animated series about five teenage girls growing up in a magic and colorful world, who live by the credo B.F.F.I. - Best Friends for Life. The magic in their lives is interwoven into real-world type experiences through which they learn to engage in problem solving, creative thinking, and cooperative strategy skills. The series also provides an opportunity for the five girls to learn how to cope with some of the social and emotional issues of self-esteem relating to physical features and other personal attributes, emerging friendships and peer-group relationships, and other experiences found in Trollzopolis. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>			

Title of Planned Core Program #7		Origination	
SUSHI PACK		NETWORK	
Regular Schedule		Total Times to be Aired	
Saturday 11:00-11:30 AM		9	
Length of Program		Age of Target Audience	
30 minutes		From	To
		9 years	11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>SUSHI PACK is an animated series featuring an unlikely group of superheroes consisting of four small pieces of Sushi, and a tube of mustard. Through an accident involving an irradiation process, these characters are brought to life, and dedicate themselves to fighting crime, injustice, and helping those in need. The themes integrated into the episodes of SUSHI PACK are associated with the teaching of certain positive social behaviors and skills to children. The major educational objectives of the program are to have young viewers learn some important life-lessons related to such traits as loyalty, honesty, and self-confidence, and such behaviors as teamwork problem-solving and cooperation. The program seeks to help children understand that these are every day pro-social attitudes and behaviors that can be modeled and used by them at home and among their friends. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.</p>

DINO SQUAD		NETWORK	
Regular Schedule		Total Times to be Aired	
Saturday 11:30 AM-12 Noon		9	
Length of Program		Age of Target Audience	
30 minutes		From	To
		9 years	11 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming			
<p>DINO SQUAD is an animated program focusing on a group of five ordinary, but diverse teenagers, who, through an unusual accident, become contaminated with a substance that allows them to morph from humans into various species of dinosaurs. Their science teacher, with full knowledge of their parents and with a few special abilities of her own, becomes their mentor. Her tasks</p>			

are to help them maneuver through the experiences of the high school years, with its social, emotional, educational, recreational, and teenage angst, and to guide them as they stand up for justice against the forces of evil. Each episode draws on a set of planned educational and informational themes related to specific pro-social concepts, life-lessons, and/or selected groups of facts drawn from a variety of fields of study. This program is specifically designed to further the educational and informational needs of children, has educating and informing children as a significant purpose, and otherwise meets the definition of Core Programming as specified in the Commission's rules. We will be airing this program on both our analog and digital channels.

This may include information on any other non-core educational and informational programming that you aired this quarter or plan to air during the next quarter, or any existing or proposed non-broadcast efforts that will enhance the educational and informational value of such programming to children. See 47 C.F.R. §73.671, NOTES 2 and 3.

PROGRAMMING NOTE: September 1st: Normally, we carry our CBS Children's Programs from 9 AM to 12 Noon on Saturdays. On September 1st, CBS had US Open Tennis starting live at 10 AM on the network. Our local plan was to cover tennis with our normal kids programming 10 AM to 12 Noon but due to a technical glitch, our system switched to the beginning of tennis. We were able to correct the situation quickly but our shows did run out of order that week only: "Cake," which normally airs at 11 AM, ran at 10:01 AM. "Trollz," which normally airs at 10 AM, ran at 10:30 AM. "Dance Revolution," which normally airs at 11:30 AM, ran at 11 AM. "Horseland," which normally airs at 10:30 AM, aired at 11:30 AM. In addition, "Cake" was joined in progress 1 minute and 9 seconds into the show.

The Chris Matthews Show

DESCRIPTION: "The Chris Matthews Show" is a half-hour weekend public affairs roundtable that examines the week's most compelling topics in the news. The show is based in Washington D.C., and is produced by NBC News.

From the most controversial political issues to general interest topics, "The Chris Matthews Show" brings viewers up close and behind the scenes of the top stories of the week. Each week, Matthews leads a roundtable of reporters, editors, and political news columnists. "The Chris Matthews Show" examines the vast world of political opinion and policy and features a variety of topics of interest ranging from domestic and foreign policy and the war on terrorism, to hot topics of the day including movies, events and pop culture.

As an author, international journalist and no-nonsense political commentator, Matthews' expertise in politics and government is widely recognized. In addition to hosting MSNBC's "Hardball", he was until recently a nationally syndicated columnist for the San Francisco Chronicle and the author of best-selling books.
